

Garrett-Keyser-Butler Head Start
and Early Head Start
Overall Program Goals

PROGRAM DESIGN AND MANAGEMENT:

To provide a cost-effective system, through shared governance, which ensures services to pregnant women, children and families, qualified and well-trained staff, and accredited and licensed centers.

EARLY CHILDHOOD DEVELOPMENT AND HEALTH SERVICES:

To provide developmentally appropriate, individualized inclusive education and health programming for pregnant women, children and families.

FAMILY AND COMMUNITY PARTNERSHIPS:

To assist eligible pregnant women, children and families to a greater degree of social competence through participation in program services and through partnerships with agencies and organizations in the community; and, to involve parents as full partners in the program to promote and support the child's learning and the skill development of the parent.
